CRIMINAL NO. H-24-473

PLEA AGREEMENT

The United States of America, by and through Alamdar S. Hamdani, United States Attorney for the Southern District of Texas, and Leo J. Leo, III, Assistant United States Attorney, and the defendant, Stephanie Nneoma Ibiso Chidere Koko (“Defendant”), and Defendant’s counsel, Rachael Melby, pursuant to Rule 11(c)(1)(A) and 11(c)(1)(B) of the Federal Rules of Criminal Procedure, state that they have entered into an agreement, the terms and conditions of which are as follows:

Defendant's Agreement

1. Defendant agrees to plead guilty to Count Two of the indictment and not to request more than a three-level downward adjustment for being between a minor and minimal participant in the instant offense. Count Two charges Defendant with possession with intent to distribute a controlled substance, in violation of Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(A)(ii). Defendant, by entering this plea, agrees that she is waiving any right to have the facts that the law makes essential to the punishment either charged in the indictment/information, or proved to a jury or proven beyond a reasonable doubt.

Punishment Range

2. The statutory maximum penalty for each violation of Title 21, United States Code, Section 841(b)(1)(A), is imprisonment for not less than 10 years and up to life and a fine of not more than \$10 million. Additionally, Defendant may receive a term of supervised release after imprisonment of not less than five years. *See* Title 21, United States Code, Section 841(b)(1)(A). Defendant acknowledges and understands that if he/she should violate the conditions of any period of supervised release which may be imposed as part of his/her sentence, then Defendant may be imprisoned for not more than five years, without credit for time already served on the term of supervised release prior to such violation. *See* Title 18, United States Code, Sections 3559(a)(1) and 3583(e)(3). Defendant understands that the sentences on multiple counts may be imposed to run consecutively to one another or to any other sentence. Defendant understands that he/she cannot have the imposition or execution of the sentence suspended, nor is he/she eligible for parole.

Mandatory Special Assessment

3. Pursuant to Title 18, United States Code, Section 3013(a)(2)(A), immediately after sentencing, Defendant will pay to the Clerk of the United States District Court a special assessment in the amount of one hundred dollars (\$100.00) per count of conviction. The payment will be by cashier's check or money order, payable to the Clerk of the United States District Court, c/o District Clerk's Office, P.O. Box 61010, Houston, Texas 77208, Attention: Finance.

Immigration Consequences

4. Defendant recognizes that pleading guilty may have consequences with respect to his/her immigration status. Defendant understands that if he/she is not a citizen of the United States, by pleading guilty he/she may be removed from the United States, denied citizenship, and denied admission to the United States in the future. Defendant understands that if he/she is a

naturalized United States citizen, pleading guilty may result in immigration consequences, such as denaturalization and potential deportation or removal from the United States. Defendant's attorney has advised Defendant of the potential immigration consequences resulting from Defendant's plea of guilty, and Defendant affirms that he/she wants to plead guilty regardless of any immigration consequences that may result from the guilty plea and conviction.

Cooperation

5. The parties understand this agreement carries the potential for a motion for departure under Section 5K1.1 of the Sentencing Guidelines. Defendant understands and agrees that whether such a motion is filed will be determined solely by the United States through the United States Attorney for the Southern District of Texas. Should Defendant's cooperation, in the sole judgment and discretion of the United States, amount to "substantial assistance," the United States reserves the sole right to file a motion for departure pursuant to Section 5K1.1 of the United States Sentencing Guidelines. Defendant further agrees to persist in that plea through sentencing, fully cooperate with the United States. Defendant understands and agrees that the United States will request that sentencing be deferred until that cooperation is complete.

6. Defendant understands and agrees that "fully cooperate," as that term is used herein, includes providing all information relating to any criminal activity known to Defendant, including but not limited to narcotics trafficking. Defendant understands that such information includes both state and federal offenses arising therefrom. In that regard:

- (a) Defendant agrees that this plea agreement binds only the United States Attorney for the Southern District of Texas and Defendant; it does not bind any other United States Attorney or any other unit of the Department of Justice;
- (b) Defendant agrees to testify truthfully as a witness before a grand jury or in any other judicial or administrative proceeding when called upon to do so by the United States. Defendant further agrees to waive his/her Fifth Amendment privilege against self-incrimination for the purpose of this agreement;

(c) Defendant agrees to voluntarily attend any interviews and conferences as the United States may request;

(d) Defendant agrees to provide truthful, complete and accurate information and testimony and understands any false statements made by the defendant to the Grand Jury or at any court proceeding (criminal or civil), or to a government agent or attorney, can and will be prosecuted under the appropriate perjury, false statement, or obstruction statutes;

(e) Defendant agrees to provide to the United States all documents in his/her possession or under his/her control relating to all areas of inquiry and investigation; and

(f) Should the recommended departure, if any, not meet Defendant's expectations, the Defendant understands that he/she remains bound by the terms of this agreement and cannot, for that reason alone, withdraw his/her plea.

Waiver of Appeal, Collateral Review, and Statute of Limitations

7. Defendant is aware that Title 28, United States Code, Section 1291, and Title 18, United States Code, Section 3742, afford a defendant the right to appeal the conviction and sentence imposed. Defendant is also aware that Title 28, United States Code, Section 2255, affords the right to contest or "collaterally attack" a conviction or sentence after the judgment of conviction and sentence has become final. Defendant knowingly and voluntarily waives the right to appeal or "collaterally attack" the conviction and sentence, except that Defendant does not waive the right to raise a claim of ineffective assistance of counsel on direct appeal, if otherwise permitted, or on collateral review in a motion under Title 28, United States Code, Section 2255. In the event Defendant files a notice of appeal following the imposition of the sentence or later collaterally attacks his conviction or sentence, the United States will assert its rights under this agreement and seek specific performance of these waivers.

8. Defendant also agrees that should the conviction following the defendant's plea of guilty pursuant to this Agreement be vacated for any reason, then any prosecution that is not time-

barred by the applicable statute of limitations on the date of the signing of this agreement (including any counts that the United States has agreed to dismiss at sentencing pursuant to this Agreement) may be commenced or reinstated against the defendant, notwithstanding the expiration of the statute of limitations between the signing of this Agreement and the commencement or reinstatement of such prosecution. It is the intent of this Agreement to waive all defenses based on the statute of limitations with respect to any prosecution that is not time-barred on the date that this Agreement is signed.

9. In agreeing to these waivers, Defendant is aware that a sentence has not yet been determined by the Court. Defendant is also aware that any estimate of the possible sentencing range under the sentencing guidelines that he/she may have received from his/her counsel, the United States or the Probation Office, is a prediction and not a promise, did not induce his/her guilty plea, and is not binding on the United States, the Probation Office or the Court. The United States does not make any promise or representation concerning what sentence the defendant will receive. Defendant further understands and agrees that the United States Sentencing Guidelines are “effectively advisory” to the Court. *See United States v. Booker*, 543 U.S. 220 (2005). Accordingly, Defendant understands that, although the Court must consult the Sentencing Guidelines and must take them into account when sentencing Defendant, the Court is not bound to follow the Sentencing Guidelines nor sentence Defendant within the calculated guideline range.

10. Defendant understands and agrees that each and all waivers contained in the Agreement are made in exchange for the concessions made by the United States in this plea agreement.

The United States’ Agreements

11. The United States agrees to each of the following:

(a) If Defendant pleads guilty to Count Two of the indictment and persists in that plea through sentencing, and if the Court accepts this plea agreement, the United States will move to dismiss any remaining counts of the indictment at the time of sentencing. The defendant agrees that with respect to any and all dismissed charges he/she is not a 'prevailing party within the meaning of the 'Hyde Amendment,' Section 617, P.L. 105-119 (Nov. 26, 1997), and will not file any claim under that law;

(b) The Government agrees to recommend that the Defendant receive a three-level reduction for being between a minor and minimal participant.

(c) If the Court determines that Defendant qualifies for an adjustment under U.S.S.G. § 3E1.1(a), and the offense level prior to operation of § 3E1.1(a) is 16 or greater, the United States will move under § 3E1.1(b) for an additional one-level reduction because Defendant timely notified authorities of his or her intent to plead guilty, thereby permitting the United States to avoid preparing for trial and permitting the United States and the Court to allocate their resources more efficiently;

(d) If the defendant is eligible for an adjustment under 18 USC § 3553 (f)(1) and/or section 5C1.2, commonly referred to as the safety valve provision of the United States Sentencing Guidelines, the United States will recommend the downward adjustment of two points; and

(e) Should the defendant's cooperation, in the sole judgment and discretion of the United States, amount to "substantial assistance," the United States reserves the sole right to file a motion for departure pursuant to Section 5K1.1 of the Sentencing Guidelines and Policy Statement and Section 3553(e) of Title 18.

Agreement Binding - Southern District of Texas Only

12. The United States Attorney's Office for the Southern District of Texas agrees that it will not further criminally prosecute Defendant in the Southern District of Texas for the specific conduct described in the indictment/information. This plea agreement binds only the United States Attorney's Office for the Southern District of Texas and Defendant. It does not bind any other United States Attorney's Office. The United States Attorney's Office for the Southern District of Texas will bring this plea agreement and the full extent of Defendant's cooperation to the attention of other prosecuting offices, if requested.

United States' Non-Waiver of Appeal

13. The United States reserves the right to carry out its responsibilities under guidelines sentencing. Specifically, the United States reserves the right:

- (a) to bring the facts of this case, including evidence in the files of the United States Attorney's Office for the Southern District of Texas or the files of any investigative agency, to the attention of the Probation Office in connection with that office's preparation of a presentence report;
- (b) to set forth or dispute sentencing factors or facts material to sentencing;
- (c) to seek resolution of such factors or facts in conference with Defendant's counsel and the Probation Office;
- (d) to file a pleading relating to these issues, in accordance with section 6A1.2 of the United States Sentencing Guidelines and Title 18, United States Code, Section 3553(a); and
- (e) to appeal the sentence imposed or the manner in which it was determined.

Sentence Determination

14. Defendant is aware that the sentence will be imposed after consideration of the United States Sentencing Guidelines and Policy Statements, which are only advisory, as well as the provisions of Title 18, United States Code, Section 3553(a). Defendant nonetheless acknowledges and agrees that the Court has authority to impose any sentence up to and including the statutory maximum set for the offense(s) to which Defendant pleads guilty, and that the sentence to be imposed is within the sole discretion of the sentencing judge after the Court has consulted the applicable Sentencing Guidelines. Defendant understands and agrees that the parties' positions regarding the application of the Sentencing Guidelines do not bind the Court and that the sentence imposed is within the discretion of the sentencing judge. If the Court should impose any sentence up to the maximum established by statute, or should the Court order any or all of the sentences imposed to run consecutively, Defendant cannot, for that reason alone, withdraw a guilty plea, and will remain bound to fulfill all of the obligations under this plea agreement.

Rights at Trial

15. Defendant understands that by entering into this agreement, he/she surrenders certain rights as provided in this plea agreement. Defendant understands that the rights of a defendant include the following:

(a) If Defendant persisted in a plea of not guilty to the charges, defendant would have the right to a speedy jury trial with the assistance of counsel. The trial may be conducted by a judge sitting without a jury if Defendant, the United States, and the court all agree.

(b) At a trial, the United States would be required to present witnesses and other evidence against Defendant. Defendant would have the opportunity to confront those witnesses and his/her attorney would be allowed to cross-examine them. In turn, Defendant could, but would not be required to, present witnesses and other evidence on his/her own behalf. If the witnesses for Defendant would not appear voluntarily, he/she could require their attendance through the subpoena power of the court; and

(c) At a trial, Defendant could rely on a privilege against self-incrimination and decline to testify, and no inference of guilt could be drawn from such refusal to testify. However, if Defendant desired to do so, he/she could testify on his/her own behalf.

Factual Basis for Guilty Plea

16. Defendant is pleading guilty because she is in fact guilty of the charges contained in Count Two of the indictment. If this case were to proceed to trial, the United States could prove each element of the offense beyond a reasonable doubt. The following facts, among others would be offered to establish Defendant's guilt:

a. In July of 2024, the Defendant was approached by a co-conspirator who offered to pay the Defendant £2500 to travel to Houston, Texas to transport some items from Houston to the United Kingdom. A co-conspirator purchased a plane ticket from London, England to Houston, Texas for the Defendant.

b. On July 30, 2024, the Defendant flew from London to Houston with two large bright-colored suitcases (pink and turquoise in color) and one smaller black roller bag. The Defendant was interviewed by Customs and told them that she was planning on staying in Houston for four days and that she did not have an itinerary. The Defendant also stated that she was unemployed but paid \$2300 for the plane ticket a couple of days prior to her trip. The Defendant was released without further incident.

c. The Defendant checked into the Hyatt Regency Hotel at 1200 Louisiana on the same date. The Defendant was provided with a point of contact (hereinafter "POC") in Houston and this person was giving her instructions. The POC communicated with the Defendant via WhatsApp and iMessages. The POC also instructed the Defendant to discard the two suitcases that she brought with her from London.

d. On August 3, 2024, the POC informed the Defendant that the items she was to transport to London were not ready and that the Defendant's flight had been rebooked for August 6, 2024. The POC also told the Defendant that the Defendant was to travel to the airport on her own and that someone would meet the Defendant at the airport to deliver the items.

e. On August 6, 2024, the Defendant departed the Hyatt Regency Hotel in a silver SUV and was in possession of a small black roller bag. The Defendant arrived at Terminal C of the Intercontinental Airport at approximately 2:30 p.m. The Defendant loitered in the passenger drop-off area until she received a message from the POC that the person meeting the Defendant was driving a black Honda sedan. The Defendant was then observed meeting with an unidentified male who drove up in a black Honda sedan. The unidentified male exited the Honda, unloaded two blue colored suitcases, and passed them to the Defendant. The Defendant then deleted all of her WhatsApp and iMessages pursuant to the POC's instructions.

f. The Defendant entered the terminal, checked in with the airline, and checked her two suitcases at the counter. The Defendant then proceeded to the boarding area. CBP officers selected the Defendant's suitcases for outbound inspection. Officers conducted a canine sniff on the Defendant's suitcases that resulted in a positive alert. One of the suitcases was opened and the officers discovered multiple bricks of what the officers suspected to be cocaine within a box inside the suitcase.

g. The Defendant was selected for inspection upon entering the jetway to the airplane. The Defendant informed agents that she had checked in two suitcases and was in possession of a black carry-on roller bag. The Defendant made a negative declaration when asked if she had anything to declare.

h. The Defendant was taken to a secure location where the suitcases were also taken. When officers opened the suitcase and observed a box, the Defendant stated that they were gifts. The Defendant also stated that the gifts were shipped to her while staying at the Hyatt Regency Hotel. Both suitcases were examined, and officers discovered nine rectangular tape-wrapped packages in one suitcase and twelve rectangular tape-wrapped packages in the second suitcase. The total weight of the cocaine seized from the defendant was over 5 kilograms of cocaine.

i. The CBP Laboratories and Scientific Services Directorate tested samples from the bundles of suspected cocaine and confirmed that the substance contained cocaine.

j. The Defendant possessed the cocaine, a Schedule II controlled substance, with the intent to deliver or transfer possession of the cocaine to another individual by transporting the cocaine from Houston, Texas to London, England. The Defendant did so by deliberately closing her eyes to what would otherwise have been obvious to her, that is, that the Defendant was being paid to transport the cocaine.

Breach of Plea Agreement

17. If Defendant should fail in any way to fulfill completely all of the obligations under this plea agreement, the United States will be released from its obligations under the plea agreement, and Defendant's plea and sentence will stand. If at any time Defendant retains, conceals, or disposes of assets in violation of this plea agreement, including required financial information, or if Defendant knowingly withholds evidence or is otherwise not completely truthful with the United States, then the United States may move the Court to set aside the guilty plea and reinstate prosecution. Any information and documents that have been disclosed by Defendant, whether prior to or subsequent to this plea agreement, and all leads derived therefrom, will be used against defendant in any prosecution.

Monetary Penalties, Assets and Financial Disclosures

18. Defendant understands and agrees that monetary penalties will be subject to immediate enforcement as provided in 18 U.S.C. § 3613 and that monetary penalties will be submitted to the Treasury Offset Program so that payments to the Defendant may be applied to federal debts.

19. Defendant understands that restitution, forfeiture, and fines are separate components of sentencing and are separate obligations. Defendant agrees to take all steps necessary to pass clear title to forfeitable assets to the United States and to assist fully in the collection of restitution and fines. Subject to the provisions of paragraph 7 above, Defendant waives the right to challenge in any manner, including by direct appeal or in a collateral proceeding, any restitution order, any forfeiture orders, and any fines.

Restitution

20. Defendant agrees to pay full restitution to the victim(s) regardless of the count(s) of conviction. Defendant stipulates and agrees that as a result of his criminal conduct, the victim(s) incurred a monetary loss of at least \$0. Defendant agrees to pay full restitution as determined by the Court, regardless of the resulting loss amount, to all victims harmed by Defendant's "relevant conduct," as defined by U.S.S.G. §1B1.3, including conduct pertaining to any dismissed counts or uncharged conduct, and regardless of whether such conduct constitutes an "offense" under 18 U.S.C. §§ 2259, 3663 or 3663A. Defendant agrees that restitution imposed by the Court will be due and payable immediately and that should the Court impose a payment schedule, the payment schedule sets forth minimum payments and does not foreclose additional collection of restitution.

Forfeiture

21. As part of this plea agreement, Defendant agrees to the following:

(a) to forfeit, via either an administrative or judicial proceeding, all assets listed in the charging document (including any Supplemental Notice of Forfeiture), and to forfeit or abandon any assets seized during this investigation or a related investigation;

(b) to withdraw any claims and petitions for such listed or seized assets, whether in this proceeding or another proceeding, and to waive notice of administrative proceedings (including forfeiture, destruction, and abandonment for seized property);

(c) that Defendant obtained at least \$0 from the criminal offenses, that the factual basis for the guilty plea supports the imposition of a money judgment in that amount, and that the Defendant agrees to the imposition of a money judgment in that amount;

(d) that one or more of the conditions set forth in 21 U.S.C. § 853(p) exists, so that the forfeiture money judgment may be immediately satisfied via forfeiture of substitute property; and

(e) to the order of forfeiture becoming final as to Defendant immediately following this guilty plea or immediately following entry of the forfeiture order, whichever applies.

Financial Statement

22. Defendant agrees to truthfully complete under penalty of perjury, within thirty days

of the execution of this Plea Agreement, a financial statement on a form provided by the United States Attorney's Office and to update the statement within seven days of any material change. Defendant also agrees to make full disclosure to the United States Probation Office of all current and anticipated assets in which Defendant has an interest both before sentencing and again before termination of supervised release or probation, with such disclosures to be shared with the United States Attorney's Office.

23. Defendant further agrees not to dispose or transfer any assets without the prior written permission of the United States and to authorize the release of all financial information requested by the United States, including, but not limited to, credit histories and tax returns. Defendant agrees to discuss and answer any questions by the United States relating to Defendant's financial disclosure, including in a deposition or informal debtor exam, whether before or after sentencing.

Complete Agreement

24. This written plea agreement, consisting of 16 pages, including the attached addendum of Defendant and his/her attorney, constitutes the complete plea agreement between the United States, Defendant, and Defendant's counsel. Other than any written proffer agreement(s) that may have been entered into between the United States and Defendant, this agreement supersedes any prior understandings, promises, agreements, or conditions between the United States and Defendant. No additional understandings, promises, agreements, or conditions have been entered into other than those set forth in this agreement, and none will be entered into unless in writing and signed by all parties. Defendant acknowledges that no threats have been made against him/her and that he/she is pleading guilty freely and voluntarily because he/she is guilty.

25. Any modification of this plea agreement must be in writing and signed by all parties.
